## Dairy Cattle Reproductive Short Course

**Thursday, September 17, 2009**

**9:00 a.m. — 4:00 p.m.**

**Location: California State University,  
Fresno (CSUF), Center for Irrigation  
Technology Conference Room  
Chestnut and Barstow**

**Sponsored by:**

**University of California  
Cooperative Extension**

**California State University, Fresno**

This one day course is designed for dairy employees that are currently active in the reproductive program on dairies. It is designed to review and update the latest reproduction techniques and strategies for maintaining a high level of reproductive efficiency on dairies.

Cost is **\$80.00** per person.

Registration fee includes course materials and refreshments.

Simultaneous translation for Spanish speaking individuals will be provided during the short course.

For more information on the Reproductive Short Course, or to register on-line and pay by credit card, please visit us at:
